

Community Living Corporation Supplemental Needs Pooled Trust

To Whom It May Concern:

Thank you in advance for taking the time to learn more about Community Living Corporation and the CLC Supplemental Needs Pooled Trust.

Community Living Corporation (CLC) is a not-for-profit community residence provider for the mild to moderately developmentally disabled adult. In 1996 the Board of Directors established the CLC Supplemental Needs Pooled Trust for the benefit of its 160 consumers. In 2001, the Board was so pleased with the results that it opened up trust participation to non-CLC consumers.

During the past five years, CLC has built the administrative infrastructure with the aid of donations from the Community Living Foundation to now serve a large diverse population of consumers who might benefit from participation in the trust.

Should you have any interest on behalf of yourself or clients that you represent, I would encourage you to visit our website at CLCPooledTrust.org.

The Trustee for the Supplemental Needs Pooled Trusts is John J. Signorelli, who is the Executive Director of CLC Foundation. The Fiduciary of the Supplemental Needs Pooled Trusts is Wachovia Bank. It is no longer Merrill Lynch. The CLC Supplemental Needs Pooled Trusts are managed by CLC Foundation, Inc.

Should you wish to learn more about the Trust, we would be happy to speak with you directly on any Tuesday, Wednesday or Thursday between the hours of 9:30am and 4:30pm. Our number in the office, which is located at 600 Bedford Road in Mount Kisco, New York, is (914) 241-2076.

We appreciate your interest in CLC and its activities relating to our Supplemental Needs Pooled Trust.

Sincerely,

John J. Signorelli
